

Restoration Journeys

2021 Info & Registration Packet

Thank you for your interest in serving through The Restoration Initiative for Culture and Community. We are thankful for your partnership in helping to change individuals, neighborhoods, communities, and cities!

We started the RICC because of our passion for the city. Centers of populations are returning to cities from the countryside. When the Apostle Paul was trying to spread the Gospel quickly, he did not go to the countryside, though it probably would have been faster and more beautiful! Instead, he went to the centers of population and impacted culture.

We have the same sense of calling and mission: ***if we change the cities, we can change the world.*** As you join us, reflect on our mission together with an open heart. Often times mission trips are not so much about you ministering to people, but also about other people ministering to you. The reality is that YOU may be more changed from this Restoration Journey than anything else.

So as you look at the checklists and fill out the forms, please do not miss the heart and passion of our mission. How do we change the world? Simple - one person, one neighborhood, one community, one city, and one nation at a time through the Gospel of Jesus Christ. Join us as we join what The Lord is doing in our city. Thanks for taking the time to love our city as much as we do.

Blessings in Christ,
Pastor Page

WHAT TO EXPECT

A Restoration Journey is about creating environments where students of differing backgrounds confront their broken relationships and cooperate with God's mission in the world. This will be accomplished by three things: *Bible Study, Relevant Service, and Guided Reflection.*

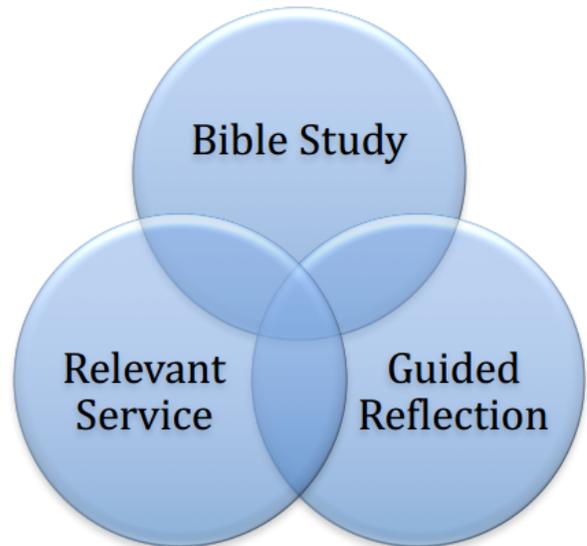

These Journeys are mission trips in the sense that we are seeking conversion. Conversion goes beyond a prayer for us. It moves through the life of people changing everything. We don't assume that friends in our community are the ones with all the problems (spiritually, economically, culturally or otherwise) and that we have the answers.

So we are not mission trips in the sense that outsiders come in to help and save others in poor neighborhoods. Rather, it's about recognizing that the privilege of some and the poverty of others are connected through complex histories and injustices. We unpack that complexity so that we can better understand one another and reveal the poverty and gifts in each one of us. That makes it just as much a camp or a school for formation as much as it's a mission trip since we are learners rather than teachers.

It's from this place of mutual brokenness that we help one another move toward Jesus Christ the one who saves and refurbishes us with an imagination for life in our world as it is truly meant to be.

Waiting in line becomes a chance to share Jesus. Sitting through traffic becomes a quiet time. Listening to people share their story becomes a chance to encourage one another and learn a new culture and grow relationally. Coping with schedule changes and the unknown becomes an opportunity to trust the Spirit. No one knows what God will bring your way or ask you to do.

Be ready for the unexpected by eliminating preconceived expectations. Your success on a Restoration Journey is truly measured by your willing spirit and your open mind to enable wonderful engagements between you, your team members, and the people of New Orleans. Our hope is that you will live every moment as a conduit for Christ.

RESTORATION JOURNEY BASICS

Who can participate in a Restoration Journey experience?

Restoration Journey trips are designed for and tailored to those ready to have their perspectives challenged and their worldviews broadened. It's our belief that to get the most from an RJ experience, team members need to have prayerfully walked through the training materials provided by the RJ staff and have prepared themselves to surrender their trip to the Lord.

AGE/RATIO RESTRICTIONS

If any RJ participant is under the age of 12, he or she must be accompanied on the trip and supervised by his or her parent/legal guardian.

Because of the demands of some of our ministry projects, please discuss **PRIOR TO YOUR TRIP** if you have any participants who have not yet completed 9th grade.

We ask that teams with minors bring a ratio of at least 1 adult leader for every 6 minors. If the team is made up of both males and females, there must be male and female leaders on the trip as well.

DORM ACCESSIBILITY

Please keep in mind that our dorm area is on the second floor of our building, and it is only accessible by stairs. Showers are not walk-in showers but do have a low profile and removable stools.

Potential Ways to Serve

GROUP GUIDELINES

Our main goal is God being glorified in all things that our teams do and experience. The guidelines in the manual are for not only God's glory but are for your team's edification. Please take time to re-read this information. Review the Release of Rights. Ask all questions now before you get on the field. Once on the field, there is a written and spoken expectation that you will follow the lead of all Restoration Journey, Restoration Initiative, and Canal Street Church Staff. We will provide ample time to discuss and explain any and all situations that will come up. Remember, reflection is one of our key tools. Since starting Restoration Journey, God has moved immense walls to grow closer to His children, and we take this opportunity very seriously. Both communication and all trainings are important for pre-trip prep. Please review our Team Policies in this packet. Policies will be also be reviewed at orientation. **We reserve the right to cancel a group that has failed to meet pre-trip deadlines or dismiss a group that has failed to meet on-field expectations.**

The Restoration Journeys staff will do the following:

- Perform routine cleaning on a daily basis, in addition to those services provided by our location contacts to all meeting spaces and all equipment and supplies used.

Restoration Journeys Team Policies

Updated 5/27/2020

Background Checks

- Each Restoration Journeys (RJ) group must provide written documentation that each team member 18 years of age or older has been screened and approved through the sending church/organization's child protection program and have verification of such screening.
- The group leader must also sign the RJ-provided Child Protection Program form, certifying that this screening has been done. These signed forms will be sent to the RJ staff prior to the group's arrival or presented upon arrival.
- The group leader must also bring copies of the completed background checks with him or her when coming on a Restoration Journeys trip. The RJ staff will not keep these copies, but they must have access to the copies for licensing requirements by the state of Louisiana.

Chaperone Requirements

- If a group includes both male and female minors, both male and female chaperones (age 18 and above and at least one year removed from high school) must be present on the trip.
- Groups should have at least one adult leader for every six minors.
- Female chaperones will stay in the designated female dorm space with female trip participants, and male chaperones will stay in the designated male dorm space with male trip participants.
- While attending a Restoration Journeys trip, a chaperone will not be alone with a minor behind closed doors or in a vehicle. If a private conversation, prayer time, discipleship, etc. is necessary, do so in a visible place.

Housing Code of Conductj

- Groups must stagger their shower schedule, setting a specific time for males to shower and then setting a different time for females to shower. When shower space is in use, the shower door window will remain covered.
- Trip participants of the opposite sex shall not be in bathroom, shower, or dorm space together.
- No phones or cameras of any kind are allowed in the shower area.
- Trip participants should be fully clothed when outside of their specific dorm room, absolutely no exceptions.
- On Sundays, dorm, shower, and upstairs bathroom space is off limits to RJ teams from 9:15am to 12:15pm because of church activities and worship.
- A private residence exists between the dorm rooms. The resident is a caretaker for Canal Street Church building and grounds. The resident uses the shower and bathroom spaces that RJ teams use. The resident is not permitted in the RJ team dorm rooms, and no RJ team member is permitted in the resident's room. The resident will be aware of the RJ team's shower schedule to prevent overlap. There will be a sign notifying RJ teams if the shower is in use by resident. Please show respect to the resident by not using the shower space when that sign is in place.
- When leaving dorm rooms, groups should lock the dorm room doors.

**RESTORATION JOURNEYS, THE RESTORATION INITIATIVE, AND MOSAIC
COMMUNITY CHURCHES AND THEIR ENTITIES ARE NOT RESPONSIBLE FOR LOST
OR STOLEN GOODS.**

Canal Street Church Property Code of Conduct

- RJ team participants should treat the Canal Street Church property with respect. This includes cleaning up after meals, keeping dorm spaces, showers, and bathrooms neat and orderly, and not causing physical damage to the property.
- RJ team members may not be present in the hallways or classrooms of the Mid-City Early Learning Center during daycare hours (weekdays, 7:30am-5:30pm). Any disregard for this rule may result in immediate expulsion without reimbursement.
- When entering the building, RJ groups should use their provided keycard to enter through the door at the Education Entrance. If a group needs to access the Fellowship Hall, Parlor, or Kitchen, they should use the Education Entrance staircase, go through the dorm area and Gym, and down the Gym staircase to access those areas.
- Exterior doors and interior metal doors **should not** be propped open at any point.
- Minors (children under the age of 18) are not allowed in the Kitchen unless accompanied by an adult.

Interaction with Children

Our RJ teams are expected to adhere to the following rules when interacting with minors, both those within their team and those they interact with otherwise:

Photos, Video, Social Media

- RJ teams are allowed to take photos and videos of their own team members and post on social media at the discretion of the RJ group leaders.
- Group leaders may take wide-angle photos and video of RJ team members interacting with children, but close-up and/or individual photos or videos should not be taken. Many of the children in our programs are part of the foster care system and cannot be photographed or videoed for their safety.
- RJ team members should not take photos and/or videos of or with children they are serving.
- The RJ staff will take photos and video throughout the trip, and they can supply groups with appropriate material at the end of the trip if the group requests.

Physical Touch

As a Restoration Journeys team, we want to be mindful of the individuals with whom we are working. Each person has a different background, story, and sensory sensitivities of which we need to be respectful. This also applies to the minors within a Restoration Journeys team.

- Appropriate physical touch is healthy. However, there is obvious danger with inappropriate touch or affection either intentionally or inadvertently in a ministry to children and youth.

- Physical contact with children should be age, developmentally, and culturally appropriate. Be aware of and sensitive to differences in sexual development, cultural differences, family backgrounds, individual personalities, and special needs. The following guidelines are to be promoted for pure, genuine, and positive, displays of God's love:
 - ALL physical affection needs to be in the presence of other workers.
 - Physical touch or affection should be brief in nature, and never on a child's private parts.
 - Preteen and older girls should be hugged from the side.
 - Kids on laps should be sitting on legs, not straddled over adult private areas.
 - When approached by a child physically, do not reject the child, but guide their affection to an appropriate contact. Hugs are easily shifted, as are misplaced hands. When a child touches an adult in an inappropriate way unintentionally, no reference to is should be made to the child. Simply redirect the hand or body. If intentional, simply correct with the same tone as any other correction and then move on. Do not make a big issue of it.

Please note that the staff members of Restoration Journeys, The Restoration Initiative, and Canal Street Church are mandatory reporters, and as such, they are legally required to ensure a report is made when abuse of children, the disabled, or the elderly is observed or suspected. Should a report need to be made, the RJ team leader will also be notified.

I have fully read the Restoration Journeys Trip Policies. I understand that should anyone in my group not adhere to any of these policies, that person or the entire group may be subject to expulsion without refund of trip costs.

CHILD PROTECTION PROGRAM

Restoration Initiative and Mosaic Community Churches are committed to providing a safe and secure environment for all children and youth that may participate in our programs. All churches/organizations that bring children, youth and adults to work in our Restoration Journeys program are expected to have a proper and adequate child protection program in place and in use for screening and protection against child abuse. All adult chaperones, leaders and participants 18 years and older must have been screened and approved through your church/organization's child protection program and have verification of such screening. This screening should include, but is not limited to, performing a background check on each trip team member who is at least 18 years old. By signing this document, you are certifying the following:

- That your church/organization has an ongoing child protection program in place for screening and protecting against child abuse and that the program is being enforced
- That you have performed a background check on each trip member who is at least 18 years old
- That you have thoroughly read through the Restoration Journeys Team Policies.

Please make sure the group leader brings copies of background checks with them. We will not keep copies but must have them accessible for Licensing requirements by the State of Louisiana.

RELEASE OF RIGHTS

We live in a world that is full of rights. Our particular culture is one where we take pride in our rights. As a matter of fact, the rights of individuals are constitutional! As we see the demanding of individual rights increase, we see much of the moral fiber of our society decrease. Our Lord Jesus Christ laid down his rights and all His glory, to the heavens, to become a man and to serve, not to be served. (Phil 2:5-11 and Mark 10:45)

We ask you to consider laying down your rights on this mission trip. Not to lay them down for better or for worse, but to entrust them to the Lord or transfer the responsibility of them to a place of safe keeping. These rights may seem reasonable but on a short-term mission trip they could cause dissension. **Would you take time to search your heart and consider your willingness to surrender your rights to the Lord?**

Romans 12:1

I GIVE UP MY RIGHT TO:

A comfortable bed
Having familiar food
Dressing fashionably
Seeing results.
Control of myself
Control of others
Control of circumstances

Having pleasant circumstances
Making decisions
Taking up offense
Being successful
Being understood
Being heard
Being right

I ENTRUST TO GOD:

My strength and endurance
My likes and dislikes of food
My security in Him
His purposes and fruit in His timing
My need for His Spirit control
His workmanship in others
My circumstances to His purposes in making me Christ-like
The privilege of suffering for His sake
His sovereign hand on my life
My deepest needs
My security in His love
My reputation
My need for recognition
My need for His righteousness

I give God permission to do anything He wishes to me, with me, in me, or through me that would glorify Him.
